

Cmd Jayanta Chowdhury, IN (Retd.)

Advisor to Chairman GRSE

Commodore Jayanta Chowdhury joined Indian Navy in 1988 in Engineering branch. He is a graduate in Mechanical Engineering from Jadavpur University, Kolkata with a post graduate diploma in Naval Construction from IIT Delhi. He also holds an MBA degree in Systems and Operations Research. During his entire service life, he has been mostly associated with ship building, ship repair, ship design and ship project management. He had the unique opportunity of heading the Indigenous Aircraft Carrier Programme (INS Vikrant) as well as the futuristic S5 Non-Conventional Submarine Programme. He has served in both surface ship and submarine design directorates as well as in the ship production directorate. In January 2023, after superannuation, Commodore Chowdhury got associated with Garden Reach Shipbuilders as an Advisor to the Chairman.
