

Rahul Oak

Head of Energy Projects | Torm Shipping India Pvt Ltd

Rahul Oak is a passionate maritime professional with more than 24 years of ship handling experience across various capacities and roles. He began his maritime journey in the millennium year 2000 as a Sailing Engineer Officer on SCI tanker ships. When he stepped ashore in 2012 to join Torm Shipping India as a Technical Superintendent, he had already sailed for several years as a Chief Engineer, gaining wide experience in most aspects of shipping operations.
