

CMDE PR HARI, IN (RETD.)

CHAIRMAN & MANAGING DIRECTOR, GRSE, KOLKATA

CMDE PR HARI, IN (RETD.) CHAIRMAN & MANAGING DIRECTOR, GRSE, KOLKATA 1. Cmde PR Hari, IN (Retd.) is a Mechanical Engineer with Master's Degree in Defence & Strategic Studies. He has undergone Defence Services Staff Course at DSSC (Wellington), Higher Defence Orientation Course at Army War College (Mhow) and the prestigious Naval Higher Command Course at Naval War College (Goa). 2. He has had an illustrious career spanning over 37 years including 28 years in the Indian Navy, during which he has held various prestigious appointments in key positions of strategy, operations, technical administration and decision making. He has served in nine ships of the Indian Navy, including seven frontline warships. His other notable appointments include field assignments in Naval Repair Organisations, Staff appointments at Eastern Naval Command & as the Command Engineer Officer of Southern Naval Command and also the prestigious appointment as Warship Production Superintendent at Kochi, steering the Indigenous Aircraft Carrier project. 3. Cmde PR Hari, IN (Retd.) joined GRSE as Chief General Manager (Production Planning & Control) in the year 2016 and was in charge of production planning of all new construction ships at that point of time. He became Director (Personnel) of the Company on 21 Oct 2019 and then went on to assume charge as Chairman & Managing Director on 10 Jun 2022. 4. The Chairman & Managing Director has defined an ambitious Vision for the company and strives to make GRSE the best Indian Shipyard to be recognised globally. With him at the helm of affairs, the company has seen a stellar growth with strong financial performance. GRSE's turnover grew to INR 7002 Crores in FY26 from INR 1754 Crores in FY22 within four years, with the market capitalisation of the Company rising to INR 22576 Crores in FY26 from INR 2593 Crores in FY22. Other noteworthy achievements were recategorisation of the Shipyard as a Schedule 'A' CPSE in 2024 and attaining Navratna status in 2026. 5. The Chairman & Managing Director envisions to further strengthen government's 'Make in India' initiative, create a unique identity for the company amongst its peers as a fully diversified entity with products ranging from "Warships to Weapons". Towards this, his thrust has been on improving productivity, new technology adaptation with specific focus on development of 'Green' & 'Autonomous' platforms, enhancing efficiency, devising new policies, increasing the vendor base, human resource development and most importantly instill a sense of discipline amongst employees of the shipyard. 6. The Chairman & Managing Director is recipient of multiple awards in the year 2025 including 'PSU Samarpan Award', CMA's 'Management Excellence Award', ICC PSE Excellence Award for 'CEO/CMD/MD of the Year' & Governance Now PSU Awards for 'CMD/MD of the Year'. He has also been conferred with 'Lifetime Achievement Award' at Marports Global Conference in April 2026. He is currently the Chair of Defence & Aerospace Committee, Indian Chamber of Commerce (ICC) and President, Indian Shipbuilders Association (ISBA). 7. The Chairman & Managing Director is married to Mrs Priya Hari and they have two daughters. He is a keen sportsman and also a voracious reader who occasionally pens down his thoughts.
