

Sushil Mulchandani

Maritime & Ports Leader | Strategic Advisor

Sushil Mulchandani is a maritime and ports professional with over **35 years of leadership experience** across ports, container terminals, shipping and marine services.

During his long association with the **J M Baxi Group**, he held senior leadership positions including **COO of Visakha Container Terminal Pvt. Ltd.** and **CEO of J.M. Baxi Marine Services**. His experience spans port and terminal operations, business strategy, commercial development, customer engagement, business transformation and organisational leadership.

He is currently engaged selectively as a **strategic advisor and consultant** to organisations across the maritime ecosystem, with a focus on business growth, market entry, ports and marine services, new business development and transformation. He also contributes to maritime education through industry-focused academic engagements and guest lectures.

Sushil brings a strong practitioner's perspective and extensive industry experience to his role as **Advisory Board Member, MARPORTS Global 2027**, supporting meaningful industry dialogue, collaboration and knowledge sharing.
